Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The environmental permit has been amended through an administrative variation to add waste code 20 03 03 (street-cleaning residues) to Table S2.4 Permitted waste types and quantities for non-hazardous waste transfer activities only, as referred to by Condition 2.3.4.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
